RAYNES
PARK HIGH SCHOOL

Our Enrichment Programme – DfE Framework

At Raynes Park High School, we believe that enrichment plays an important role in developing confident, well-rounded and ambitious young people. Our extensive enrichment programme provides students with opportunities to discover new interests, develop existing talents, build friendships and learn valuable skills beyond the classroom. With a wide range of clubs and activities available throughout the week, there is something for everyone to enjoy.

Civic Engagement

We encourage students to become active, responsible members of their school and wider community. Through a range of activities, students develop leadership, teamwork, communication and social responsibility.

RAYNES
PARK HIGH SCHOOL

Our Commitment

At Raynes Park High School, we want every student to find an enrichment activity that inspires them. Our clubs are free to attend and provide opportunities for students to build friendships, develop new skills, discover hidden talents and make the most of school life.

We encourage all students to get involved, try something new and aim to participate in at least one enrichment activity each week.
