

2nd April 2020

Dear Families,

RE: Free School Meal Voucher

Further to our previous communication we have now received confirmation that the government scheme for Free School Meals is live. You will receive an email weekly after the Easter holidays with a link to choose which supermarket you would like to receive your voucher for. You will then receive an e-voucher than can be printed or shown on your phone when you are at the supermarket. The voucher will be for £15 per week, sent on a Monday, and you can choose from the following supermarkets:

- Morrisons
- Tesco
- Sainsbury's
- Asda
- Waitrose
- M&S Food

The email link will be sent to the first contact we hold for your child and the email address we currently hold for that contact is:

Should the above email address be no longer valid or the above states that we do not hold an address on file, we ask that you email fsm@raynespark.merton.sch.uk with your new email address **by 9.00am on Wednesday 8th April**. Should you not have an email address we can arrange to post the vouchers to you second class on a Monday. Please note that it will not be possible to resend a voucher if it is sent to an incorrect email address.

For those families who did not request their Free School Meal voucher for the past two weeks we will arrange to send these out to you during the week commencing 13th April.

Yours sincerely,

E. Marino
