Dear Families,

Home Learning – Your Feedback

Following two weeks of home learning, we are very keen to hear your thoughts on our home learning provision. We want to make this experience as positive as possible and would like to address any issues before we resume uploading work following the Easter break on Monday 20th April.

We would therefore appreciate it if you could take a couple of minutes to complete a short survey about how successful you think our home learning plan has been so far. The survey will close at 5pm on Wednesday 15th April.

Please click the following link to access this survey – <https://www.surveymonkey.co.uk/r/NVVF8Y9>

Whilst we know that you will all be observing the current government guidelines on social distancing and staying at home, we hope you all have an enjoyable Easter weekend and are making the most of this time you have together. Please find attached an NHS parent guide that has been circulated today.

Yours faithfully,

A. Hogarth
