18th May 2020

Dear Year 13

Monday 18th May 2020 was a date that every Year 13 teacher, student and their family had firmly in their mind as it would have been the first day of the A-Level examinations. You had been preparing for these exams since starting your Level 3 qualifications in September 2018 and we know how disappointed we all were when we heard that the summer exams had been cancelled this year.

From the telephone calls that have been made home, we know that a great many of you have kept as busy as possible, either finishing your coursework in some subjects, staying fit by taking daily exercise, taking up new hobbies and keeping in touch with your friends remotely. We also know that those of you going to university found the resources circulated by Mrs McInerney after Easter really useful to support this challenging, academic transition and further resources will be made available later this week.

As you will remember from Mr Hogarth's letter, your teachers have been working incredibly hard to gather and consider all of the evidence available to them before generating your Centre Assessed Grades that reflect your hard work and effort these last two years. Since writing to you, it has now been confirmed that you will receive your A-Level grades on Thursday 13th August and we will be in touch with more information after half term.

In the meantime, should you have any questions or worries about next year, please do not hesitate to contact Mrs McInerney from your school email address on: hmcinerney@raynespark.merton.sch.uk
We have really missed seeing you all at school and on behalf of everyone at RPHS, send you and your families our continued good wishes.

Best regards,

K. Heard
