

KS3 Curriculum Information

Sociology is not currently available for students at Key Stage 3.

KS4 Curriculum Information

GCSE Sociology is a fantastic subject that enables students to learn about the society in which we live in. Topics studied over the 2 year course are:

- Family
- Social stratification
- Education
- Crime and Deviance
- Sociological process's and theory

KS5 Curriculum Information

A-Level Sociology is interesting, demanding and provides students with the opportunity to develop a deep level of understanding about society and social processes. Topics studied across the two year course are:

- Families and Households
- Education
- Beliefs in Society
- Crime and Deviance
- Research Methods & Theory

Extra-Curricular Opportunities

Extra booster revision classes and intervention leading up to the A- level and GCSE examinations.

Ways Families can Help Support

Encourage students to read widely and keep up to date with current affairs by watching the news and television shows such as Panorama.

Any Other Information
