Applicant and Parental Agreement

Each applicant will be interviewed shortly after the applications deadline. Career aspirations will be discussed along with predicted grades. It is only after this interview that the Sixth Form Team will make final course offers. These offers are conditional on final results. If a student does better than expected they may be able to move to a more advanced course, with the reverse also being true.

I have discussed the contents of this form with my parent/carer and am confident that the information supplied is correct in all respects.
