POLICY ON CHARGING, REMISSIONS AND VOLUNTARY CONTRIBUTIONS

INTRODUCTION

The governing body recognises the valuable contribution that the wide range of additional activities, including clubs and trips, can make towards a student's education, and it aims to promote and provide such activities both as part of a broad and balanced curriculum for the students of the school, and as additional optional activities.

This policy covers what the governing body of the school will charge for when activities take place during or out of school hours, including residential activities. It also deals with remissions and requests by the school for voluntary contributions.

List of Benefits that attract remissions	Universal Credit in prescribed circumstances; Income Support (IS); Income Based Jobseekers Allowance (IBJSA); support under part VI of the Immigration and Asylum Act 1999; Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by Her Majesty's Revenue and Customs) does not exceed £16,190 (financial year 2013/14); the guarantee element of State Pension Credit; an income related employment and support allowance that was introduced on 27 October 2008.
