Science is an incredibly well resourced subject which consistently has a healthy uptake of students at key stage 5. Our upgraded Science labs offer the capacity to hold a wide range of practical activities using traditional laboratory equipment alongside modern technology. We are very proud to boast a highly collaborative science team consisting of teachers and technicians who have worked hard to continue to grow this important subject at our school.

We would like to appoint a dynamic and motivational teacher to join our busy department. The successful candidate will be able to explore and develop their passion to inspire our wonderful students.
